SOLVEIG
ANNA'S GARDEN GIN

Story: Our seasonal Solveig celebrates spring in Minnesota's Red River Valley, where Great Grandma Anna tended her garden every day in the pink-colored light of vernal sunrises. Featuring floral hibiscus and herbaceous dill, both balanced by earthy angelica and the zip of fresh lemon, Anna's Garden Gin is crafted to add depth to refreshing long drinks.

Botanicals: hibiscus, angelica, fresh dill, lemon, juniper, cardamom.

Still: Deloros, 50G Hybrid Pot Still by Vendome Copperworks.

Distillation: Botanicals are placed in a gin basket and vapor infused.

Filtration: Lightly filtered. Non-chillfiltered.
